Any babies or young children in your household?	Any pets in your household?

Does anyone in your household have special requirements?	Any neighbours, family, or friends that might need help?

Where will you meet if there's an emergency, and how will you get there?	Other useful contacts?

Who will pick up the kids if they're at school?	Where will you get your news?

If you're stuck at home, what emergency supplies do you have and where are they stored?

**How do you turn off power, water, and gas?
(if needed or instructed by authorities)**

What will you do if there's no power?

What will you do if there's no water?

What's in your grab bag/s and where are they, in case you need to leave in a hurry?

Where will you go if you need to evacuate?
