

Information about ANZCO Foods for new Suppliers of Goods, Services, or Works

ANZCO Foods is a dynamic multinational company, with four core business activities:

- We procure the best beef and lamb grown year-round on New Zealand's lush, green pastures.
- We process prime New Zealand beef and lamb in state-of-the-art, accredited facilities.
- We design and create sophisticated food and healthcare solutions.
- We market and guarantee year-round delivery of our premium beef and lamb products to more than 80 countries around the world.

As part of our approach to streamlining purchases from our many suppliers; ANZCO Foods does not complete credit account applications with Suppliers. Unless a signed contract exists between ANZCO Foods and the Supplier, all goods, services, and works are purchased under the ANZCO Foods 'Standard Terms and Conditions for Purchase Orders', the latest version is included with this document, is available online at <http://www.anzcofoods.com/goodsservicessupplier> and is attached to each valid purchase order issued by ANZCO Foods.

The following details are provided to describe ANZCO Foods and to give prospective Suppliers sufficient information to set ANZCO Foods up as a customer in their systems. ANZCO Foods does not provide trade references; the details provided below are sufficient to engage a third party for the purposes of credit checking if required.
